

NOTE: Certain organs and glands such as kidneys, liver, heart, etc., are generally included in multiple systems of the body.

Cardiovascular/Circulatory System

(heart, arteries, veins, blood, lymph)

Angina, Arrhythmia, Atherosclerosis, Cholesterol Problems, High Blood Pressure, Phlebitis, Raynaud's Disease, Varicose Veins, Heart Failure, Low Blood Pressure, Aneurysm, Coronary Artery Disease

Digestive System

(large, and small intestines, stomach, esophagus, liver, rectum, pancreas, gallbladder)

Acidosis, Candida/Yeast, Cholera, Cirrhosis, Colitis, Constipation, Crohn's Disease, Diverticulitis, Gastritis, Heartburn, Hemorrhoids, Hepatitis, IBS, Indigestion, Nausea, Ulcers

Emotional System

ADHD, Anxiety, Confusion, Depression, Emotional Trauma, Fear, Grief, Insomnia, Mental Fatigue, Nervousness, Panic, Post-Traumatic Stress Disorder, Stress

Endocrine System

(kidneys, hypothalamus, pituitary glands, thyroid, parathyroid, adrenal glands, pineal body, reproductive glands)

Addison's Disease, Cushing's Disease, Fallopian Tube Challenges, Grave's Disease, Hashimoto's Disease, Hyperthyroidism, Hypoglycemia, Hypopituitarism, Hypothyroidism, Menopause, Post Menstrual Syndrome (PMS), Post-Partum

Immune System

(bone marrow, thymus, spleen, lymph nodes)

Addison's Disease, AIDS, Allergies, Auto Immune Disease, Cancer, Cirrhosis, Diabetes, Epstein Barr, Lupus, Malaria, Mononucleosis, Pneumonia, Fibromyalgia

Skeletal/Muscular/Connective System

(smooth, cardiac and skeletal muscles, cartilage, tendons, ligaments, bones)

Arthritis, Bone Spurs, Bursitis, Carpal Tunnel, Gout, Meningitis, Osteomyelitis, Osteoporosis, Paget's Disease, Rheumatoid Arthritis, Scoliosis, Spondylitis, Tendinitis

Nervous System

(brain, spinal cord, nerves, neurons, cerebellum)

Alzheimer's Disease, Bell's Palsy, Concussion, Creutzfeldt-Jakob Disease (CJD), Dementia, Epilepsy, Insomnia, Lou Gehrig's Disease, Meningitis, Multiple Sclerosis (MS), Parkinson's Disease, Polyneuropathy, Seizures, Tremors/Tics

Respiratory System

(nose, pharynx, larynx, conchae, lungs, trachea)

Asthma, Bronchitis, Congestion, Croup, Flu, Influenza, Laryngitis, Pneumonia, Rhinitis, Sinus Infection, Strep, Tonsillitis, Tuberculosis

Skin

Acne, Bruise, Dermatitis, Eczema, Impetigo, Keloids, Melanoma, Psoriasis, Rash, Rosacea, Skin Tags, Sunburn, Wrinkles
